## Background

The International Conference on Technology Education in the Asia-Pacific Region (ICTE) is a biennial international conference promoting the communication and academic exchange on Technology Education. The first conference was held in Otsu, Japan in 1995. Successive conferences were held in Taiwan, Australia, New Zealand, Hong Kong, USA and Korea respectively. Over the past 25 years, the conference has provided lots of chances for academicians and Technology Educational professionals to interact with members inside and outside their own particular disciplines.

## About ICTE 2021

The ICTE 2021 will be held on 26th to 27th January 2021 at the National Taiwan Normal University. ICTE 2021 encompasses a 3-day programme expecting participants mainly from Japan, New Zealand, Korea, Taiwan, Australia, Hong Kong, China, Singapore, the USA, but other countries or areas are also welcome. During the main conference, scholarly exchange will take a variety of forms including keynote speech and invited speaker addresses, paper presentations, and panel discussions. It would be a valuable opportunity bringing together scholars and professionals sharing ideas and experience.

## Submission of Papers

All papers are restricted to a maximum length of ten pages, printed in single space. Full papers will undergo a peer review process.

Authors are expected to present their papers at the Conference.

Please include the following six items with your paper submission:

1. Title of the submission,
2. Name(s) of the author(s),
3. Affiliation(s) of the author(s),
4. Address(es) of the author(s),
5. E-mail address(es) of the author(s), and
6. Abstract and full paper.

Please submit your papers no later than November 1, 2020 by using the ICTE 2021 online submission system! To use the system, and for detailed information about paper submission, See the conference website:

## About Taipei

Being the capital and the political, economic, financial, and cultural center of Taiwan, Taipei also features high-rise buildings and prospering businesses. It is an international metropolis bursting with vitality as well. From the world's tallest building to the biggest collection of Chinese art. Taipei is a city mixed with modern and traditional aspects with energy and smiles to make this one of your most memorable trips to Asia. The polarities of Taipei are vivid presented in the urban as well as in the natural. Just take a few minutes can you soak away the world of mineral-rich hot springs and mountain. And plenty of trails, parks and other oases of tranquility to lift your spirits are all over the city.
